Cynthia Winland from Crescent Consulting reviewed her suggested updates to our zoning ordinance. The updates included wind energy revisions, small lot revisions and multiple other updates and definitions. Discussion followed with several questions, comments and other possible revisions or changes.

The committee recommended she revise our ordinance and compile it into a book form similar to the current zoning ordinance so the board can review it at our next meeting.

There being no other business Chairman declared the meeting adjourned at 6:17pm.

Respectively submitted,

Kurt Ewald
Zoning Secretary
